

Summer Solstice in the Park

It's a long time between the first of June and the first Sunday of September. A long time to go without seeing any NUUF friends or doing any NUUFy things.

After the service, weather permitting, we shall enjoy a lovely picnic, with everyone bringing his or her own favourite picnic foods and drinks.

This year, we wanted to shorten that time by inviting NUUF members, friends and acquaintances to the first (annual?) Summer Solstice in the Park.

The venue is easily accessible by public transit or private car. If you have mobility issues, please contact Derek and we will take care of them.

The afternoon will commence with a brief Druid ceremony led by NUUF familiar Taco IJzerman, who, we hope, will also be bringing some of his druidic friends along.

Share this invitation far and wide and let's enjoy the solstice in a fitting style.

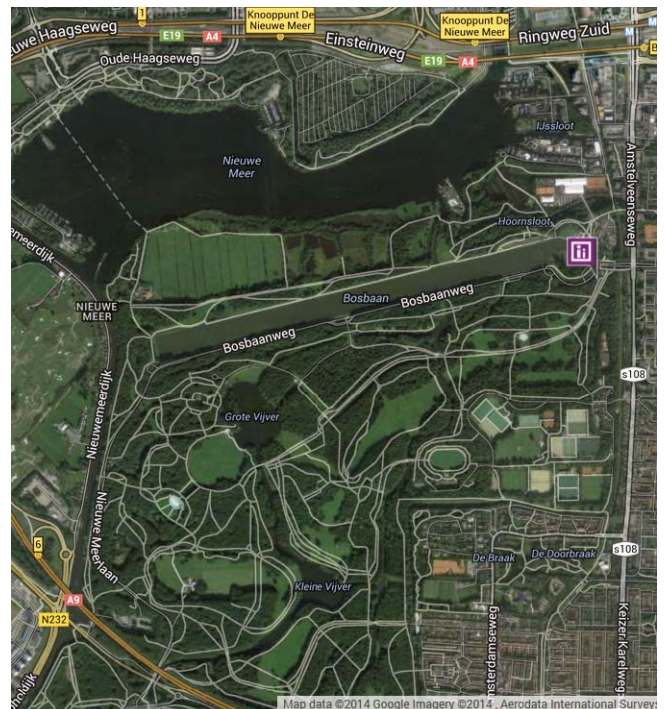

Please let us know by e-mail if you are coming: fellowship@nuuf.nl
